## SMDS48002 Rafale Standard F1 & F2

# Instructions:

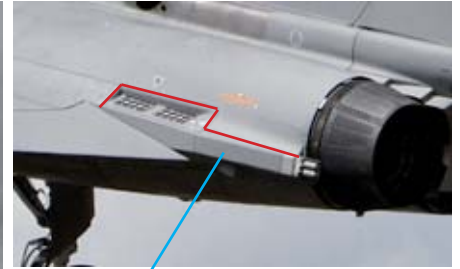

Seat Martin Baker MK 16F  
Use pictures as paintguide

Add gun exhaust vent  
Part A for F2,  
Part C for F1

Add gun cover Part B

Cut your kit along the red lines, and add Parts 23/23.1 to replace. Use decals to replicate full chaff charges.

Repeat on other side.

Replace kit provided Mica EM heads with Parts 28 to construct a Mica IR. Mica IR are seen on outer wing launchers, Mica EM on other stations.
